

Miami-based Southern Air Transport, Inc., owns and operates a fleet of reliable Boeing 707-320CQ aircraft, ready for cargo leases and charters 24 hours a day. The intercontinental range hushkitted freighters can be launched into service almost immediately anywhere in the world, and boast a 95,000 lb. payload. Complementing Southern Air's B707s is a fleet of versatile Lockheed Hercules Aircraft. So, whether it's livestock, medical supplies, heavy equipment or electronics, Southern Air can ship it.
